Mary McDermott Cook was tan. Had she been spending a couple of sessions at a tanning salon? Nope. She had been in Hawaii before hosting [The Trinity Trust Rat Pack](#) and [River Rats](#) at her Dump Top home.

With perfect views of the Margaret Hunt Hill, Continental Bridge and the under-construction Margaret McDermott Bridge, the evening of April 8th was perfect before the predicted storms approached.

And what better group than the 130 or so guests who were championing the efforts for The Trinity Trust like **Carol and Don Glendenning, Sara and David Martineau, Shirley and Bill McIntyre, Lynn and Allan McBee** and

Mary and Mike Silverman! Trinity Trust Executive Director **Gail Thomas** was at the front door introducing daughter **Electra** to friends. Mary explained the piece of art that was placed in the grassy island in front of her home.

River Rat/Rat Pack wrangler **Tierney Kaufman**, who just recently got engaged to boyfriend **Jared Hutchins**, revealed they plan on a destination wedding in Mexico this fall.
